LLOYD'S

Surplus Lines Cyber Insurance,
backed 100% by Lloyd's

Brightly Insurance goes beyond traditional cyber insurance. We offer enhanced protection against cyber risk. Our Lloyd's backed policy helps your business navigate the cyber landscape with confidence and security. We provide financial protection and assistance in case of a cyber incident.

Our insurance professionals are here to support you with decades of industry experience and cyber knowledge. Innovative educational resources enable you to better understand and implement critical cyber protections for your business:

- Nightly / Daily Backups
- Anti-virus, Anti-malware software
- Multifactor Authentication
- Data Encryption
- Password Management
- Training & Simulations

Key things to know about your policy

Your policy will be sent to you in a separate communication and is for a term of **1 Year**.
